### PROFILE

I am a dedicated and detail-oriented individual with strong skills in team coordination, content creation, media management, and visual communication. I take initiative, handle responsibilities with care, and consistently deliver creative and high-quality work. With a balance of leadership, organization, and creativity, I'm ready to contribute meaningfully in any role I take on.

### WORK EXPERIENCE

**Sasnaka Sansada Foundation** (2022 - PRESENT)

Co-Head Photography Division, Profiling and  
Corporate Affairs Pillar

- Led media and content management for multiple events, overseeing all photography and visual documentation.
- Produced consistent, high-quality content aligned with the foundation's branding and communication goals.
- Collaborated with teams and mentored volunteers to deliver effective media coverage and promotional materials.

**IEEE Student Branch of SUSL** (2024 - PRESENT)

Committee Member

- Acted as a liaison between the executive committee and students, ensuring smooth communication and collaboration.
- Played a key role in increasing engagement by promoting awareness and encouraging involvement in branch activities.
- Coordinated and motivated batchmates to actively participate in IEEE events and volunteering opportunities.

**KHP Photography** (2024 - PRESENT)

Owner, Photographer

- Led photography and content creation for a variety of events, including corporate, academic, and community-based programs.
- Managed the complete creative workflow, ensuring professional results and consistent client satisfaction.
